

# Active Shooter Training (English)

## Saturday, June 22<sup>nd</sup> 2019

Are you ready to respond to a violent incident in your program?  
Being ready does not have to be scary.

Join Connections for Children and Institute for Childhood Preparedness for an interactive training developed specifically for child care programs.

This 3-hour training is developed specifically for those caring for children. The course is grounded in real-world evidence and features hands-on experiences to insure that participants are familiar with proven tactics and strategies for responding to an active shooter incident. This course is designed in a way that builds confidence and leaves participants saying:

**“I’m not scared, I am prepared.”**

Each attendee  
will receive a
