Participant Goals...

- ✓ Learn how to promote positive social and emotional learning environments for young children returning to school
- ✓ Improve adult capacity to support students who may be struggling with challenging behavior
- ✓ Gain strategies to support your staff and coworkers during this challenging time
- ✓ Learn how to support families in feeling safe as they return to school
- ✓ Understand the impact of traumatic events and experiences on children and their families and how this affects returning to school

Presenters: Jennifer Mundy MFT & Megan Miller, LCSW
